For Foreign Residents / For Those Who Are Hiring Foreign Residents

Procedures prior to departure from Hakuba at village office

When moving out of Hakuba to another municipality or when moving abroad, filing of a move-out notification at Resident Division of Hakuba Village Office in advance is necessary. A move-out notification can be submitted 14 days before your scheduled move-out day. Please make sure you or your foreign employees have completed all necessary procedures before leaving Hakuba.

➤ **Moving to another municipality:**

A move-out certificate will be issued immediately after one has reported his/her moving at the village office. Please be aware that a new address cannot be registered at the other municipality without the certificate. (Note: New address is needed when you submit the move-out notification)

➤ **Moving abroad:**

Submission of move-out notification is necessary even if you have a plan to come back with a re-entry permit. Especially for those who have joined the National Health Insurance Scheme, you have to pay the insurance tax for the period that you are out of Japan if you leave without filing a move-out notification properly.

COLUMN

Ancient Japanese had a custom of throwing dolls into the river or the ocean on March 3. They believed they could avoid misfortunes by throwing dolls as surrogates for them. Now March 3 is the day to celebrate girls' health and their fortune with dolls. It's called Hina-matsuri (Dolls festival). Dolls depict the life of aristocrats in the Heian era, about 1000 years ago. Dolls on the top are a prince and a princess. The others are people who served in the imperial court, Sannin-Kanjo(three court ladies) and Gonin-bayashi(five musicians)
